

Adult Degree Checklist

Assess your interests.

Consider taking a personality or career interest inventory to determine a career path and decide on a school.

Helpful websites:

Back 2 College (back2college.com)

Find your fit.

Determine a program of study, and find schools that offer that program.

Weigh the costs.

Consider the value of the degree when comparing program costs at different schools.

Evaluate your credits.

Determine how many of your prior credits will transfer.
