THINK YOU CAN’T AFFORD COLLEGE?
THINK AGAIN

Most students receive financial aid. Don’t let the cost of college get in the way of your future.

The FAFSA (Free Application for Federal Student Aid) is your first step toward money for ANY college, no matter where you go.

Mark your calendars
FAFSA will open on October 1!

Talk to your counselor to learn more about financial aid, and start your application at FAFSA.ed.gov
